Hello Jacqueline,

My name is Dennis Galvin and I am the President of the Massachusetts Association For Professional Law Enforcement (MAPLE ). I have submitted an application to testify before the Legislative Commission on Qualified Immunity this Friday. I was advised that you are the point of contact for that hearing. On my application I indicated that MAPLE would like to appear as a panel. One of our members cannot make it so I would like to replace him. Please replace Arthur McLaughlin for Joe Kittredge. Our panelists will be

1. Dennis Galvin
2. Arthur McLaughlin
3. Patrick Faiella

I also understand that we should submit our comments to you by tomorrow. If you could confirm this information I would be very grateful

Best regards
