Good day. I will submit a written statement, while also asking to appear in the virtual meeting, August 20, 2021. Issue: The quality is very poor, of the CPU output (so I've been told at a ZOOM meeting). I am not sure if I will be seen and heard, if perchance the viewing is not of acceptable quality. I'm "doubling down" in a written statement, in the event I cannot participate virtually. Hoping all goes well. Will written statements be read allowed in the 5 minute time allotted for public statements? Thank you for your attention to this matter.

Sincerely, Lezlie Souve'
